

Imagine your family (almost!) never fighting about chores!

Introducing the **Ask Nana Goldie Family Playshop™**

Based on the book
NoraLee's Adventures
on Planet Ifwee, and the
GoldStar Magic!
Family Pen-Pal Kit™

"If we care, it's magic!"

In this lively, interactive playshop, former teaching nun, author, actor (and grandmother!) Terry Nicholetti is **Nana Goldie**, a fun, hip, singing grandmother who shows your family how to:

- choose which chores matter, and do them because you ALL care
- encourage children to feel really proud and *give themselves* gold stars
- help children use these experiences to connect with grown-ups they love *who live elsewhere* -through the US mail!

Ask Nana Goldie Family Playshops™ include:

- A reading/performance of *NoraLee's Adventures on Planet Ifwee*, followed by a family discussion on how to make **GoldStar Magic** in your family.
- A sing-a-long and dancing to a recording of the delightful, inspiring *Ifwee Song!*
- Free samples of the Two-Way Postal Cards PLUS a FREE download of *The Ifwee Song*.
